

## DECLARATION OF CONFORMITY CE

The company AGNI GEORGIADOU & Co G.P. states that the products mentioned. in this list comply with Low Voltage Directive 73/23 /EEC and Electromagnetic Compatibility Directive 89/336 / EEC of the European Communities to approximate the laws of the Member States of the European Union..

CODE	DESCRIPTION
RT8-*,RT26-*,RT17-*, RTD-*,RTD-*D, RA*-*P, RSL-20,RT8-820*,RFT-4	Time Relays
RT-827	Wired long distance control relay
RT8-829	Dual pump alternating relay
RT-818*,RT-917, RV8-419, RV17-818,RV17-819	Three Phase Voltage monitoring relays
RT-417,RT-918*,RT-919*, RV8-418,RV17-418, RV17-919,RV35-920	Three Phase Assymetry monitoring relay
RV8-825, RV8-826, RV17-825,RV17-826	Singel Phase Voltage monitoring relays
RT-814*, RT8-815, RT8-822*, RL35-814*	Conductive liquid monitoring relay
FT-1*, FT-2*	Photocell light Switch

### European Conformity Standards:

prEN50178 / 1995: Electronic devices for use in power installations.  
EN60669-2-1 / 96: Switches for household and similar fixed devices.  
Samples of these devices were tested in the laboratories of C3T S.A.  
(Industrial Area of Kilkis TG 50 TK 61100 Kilkis) and corresponding  
control reports were issued numbers:

- 301183 / 26.02.1998
- 301179 / 26.02.1998
